

Our aims

EVA is an artist-led voluntary non-profit making unincorporated group.

Our purpose is to encourage networking and collaboration amongst artists in the Eden Valley area and support their development, raise the profile and increase awareness of visual or applied arts in the area.

We aim to achieve this in a variety of ways including holding forums, networking gatherings and exhibitions. We also hope to provide creative workspaces and studios at reasonable rates and organize art events in the community.

We intend to exhibit artwork that engages with people by displaying contemporary work sometimes outside the traditional formal gallery space, thereby bringing art to the attention of a wider audience.
